REFLECTIONS
VOLUME 3

DEDICATION

McRae "Mac" Harris

Mac, once more you're "on the road again," but now it is for those leisure pursuits of luxurious travel, vacation, and fun in the sun. ENJOY!!!

The 1984-85 Golden Triangle Vo-Tech Center yearbook is dedicated to McRae "Mac" Harris for ten years of "beyond the call of duty" service.

His dedication and accomplishments are found throughout the entire nation in the students he has taught and now travel the nation's highways in their "big rig's!" Mac has the ability to command respect from his students while at the same time earning their admiration.

He is definitey "one of the boys" in the make-up of the school personnel. His sparkling personality and quick wit add much to our days at the Golden Triangle.

Mac will be missed around here, but he leaves a legacy that will set a standard for all of us to strive toward.

ADMINISTRATION

AARON LANGSTON
DIRECTOR

MESSAGE FROM THE DIRECTOR

Classes, clubs, assemblies, exams, jobs! As I look back over this 1984-85 school year, I hear echoes of all these things; and it is all these things that make each year unique.

As students at the Golden Triangle Voc-Tech Center, you have brought to life the purpose for which the Center was built. As you walked through the Center's doors everyday, you took another step toward the attainment of your goals. With that daily striving toward those goals, you have become wiser, stronger, and more prepared to face your future.

Your success is the barometer by which we measure our success. We wish for each of you a long, happy, and productive life.

RICK YOUNG
